

Heatherlie Quarry Walk

An easy 2.4 km return walk

How to get there:

From Lakeside drive through Halls Gap and take a left turn on Mt Zero Road (turns into gravel). After about 13 km you'll see a little sign for the quarry. Turn left.

Remember to bring a filled water bottle and be sun smart!

- During your walk try to find the places or objects above.
- Each place will help you to answer a question (see other side)
- Answer all questions to form a word.

Write down the answers below and a word will form in the orange squares

• What is this man's first name?
